

## Adapter UniFbus UFC v2

---

Product ID: 6497

Price: **12.00 EUR**Product weight: **0.10 kg**

### Description:

Adapter UniFbus UFC v2 it's new updated version of adapter for UFC GPG cables 9in1 or 13in1. There are many advantages of latest version as professional COMBO leads (JAF®/MT-Box so 8 and 10 pin RJ). Changed resistance from 10K to 15 solve many problems on latest phones. This are not only changes - to adapter ACP12 external power supply was added that solve problems with flashing APE on Boxex who don't have enough power to boot up phone, added USB socket to work with UFC v2 as with Jungle cables and added Testpoint leads for RX2, MTBOX VPP and Mbus.
