## AMAOE Mbga-B13 IP13 4in1 0.12mm BGA reballing platform with stencils

Product ID: 22949

Price: **49.00 EUR**

Product weight: **1.00 kg**

### Description:

AMAOE Mbga-B13 IP13 4in1 0.12mm BGA reballing platform with stencils - Reballing platforms are high-quality products that enable precise re-creation of balls connecting the upper and lower parts of the motherboard and for removing glue. Made of high-quality synthetic stone, resistant to high temperatures and quickly cooling down. Platforms equipped with very strong magnets that prevent movement during soldering work using templates / reballing sieves. IPMbga 13mini /0,12mm, Mbga 13 /0,12mm, Mbga 13 Pro /0,12mm, Mbga 13ProMax /0,12mm.
