

Cable SE J132 for UFS/HWK

Product ID: 5637

Price: **6.00 EUR**Product weight: **0.02 kg**

Description:

Cable SE J132 for UFS/HWK it's additional cable for support phones J132 Lacosto-based. Support for this model was added in latest version 0.9150. To use this cable you must use UFS/Twister Flasher or Power Flasher as communication interface - SeTool at this moment works as a USB protection key for software only.
