### Description:

DC Unlocker Lite activation for Infinity Box/BB5 Best lets you use all of the DC Unlocker software features on any Infinity Box / BEST / CDMA Dongle. With this activation you can unlock almost all of the supported external and internal modem models for free. DC unlocker is a program specialized for data card unlocking. It is the first universal data card unlocking product worldwide. It doesn't need any cables or adapters for unlocking. The data card can be simply unlocked in the same notebook where a PCMCIA or Express socket exists. New models are being added regularly.
