DSLogic+ for UNI Pro Dua Converter

Product ID: 22653

Price: **49.00 EUR**

Product weight: **0.20 kg**

Description:

DSLogic+ for UNI Pro Dua Converter allows the direct connection of the UNI PRO Dual Plus and UNI PRO Dual Plus adapters to the DSLogic Plus (16 channel) logic analyzer. The adapter is irreplaceable during the search and verification of NAND protocol signals, it facilitates and speeds up the work by replacing the standard F-F cables.
