

gTool ESD grounding ring (ESDR-01)

Product ID: 17261

Price: **35.00 EUR**Product weight: **0.10 kg**

Description:

gTool ESD grounding ring (ESDR-01) is a completely new introduction to the ESD industry. Our rings have been carefully machined, the edges are rounded and the surface is polished to a supreme finish. The rings have been designed to fit comfortable on your finger while working on sensitive electronic items. With the magnetic latching system you can easily connect and disconnect from the ESD grounding cable without comprising productivity.
