

Holder/Mounting frame UM-2A

Product ID: 21226

Price: **12.00 EUR**Product weight: **0.40 kg**

Description:

Holder/Mounting frame UM-2A has a stable base of cast metal, which can be fastened with screws to the tabletop. This tool gives the possibility to mount at any angle of the various components as printed circuit boards PCB connector, brazing tape, and the like. Two movable grippers made of insulating material, with a maximum spacing of 140 mm, allow the fixing of small and large plates of different thicknesses. The unit can be rotated 360° and 270° swing.
