Infinity Plus 2in1 PinFinder + Infinity Dongle-Box

Product ID: 7939

Price: **159.00 EUR**

Product weight: **1.80 kg**

Description:

Infinity Plus 2in1 PinFinder + Infinity Dongle-Box includes upgraded Infinity Box Plus with Infinity Dongle-Box and ultra high speed Pin Finder Adapter integrated. Infinity Box Plus with smart card and Pin Finder Adapter integrated is a dynamic, well protected multiplatform solution that supports over 50 phone brands and helps user to find Rx and Tx pins as well as select manually Rx and Tx pins (different CPU and hardware platforms) in automatic and manual mode. Infinity Box Plus with Pin Finder Adapter provides up to 2 seconds pinout detection, supporting even cell phones with damaged software (phones with damaged hardware must be repaired before pinout detection procedure). Infinity Plus Basic Pack includes special adapter to connect cables for Chinese cell phones.
