# iPhone Micro Activation SIM

Product ID: 7907

Price: **7.00 EUR**

Product weight: **0.01 kg**

## Description:

iPhone Micro Activation SIM due special adapter that comes with card allow to activate not only Iphone 2Gs, 3 but also leatest Iphoen 4.0, all you must to do it's just remove small card from adapter and put in phone, if you need normal SIM then put back to adapter. Card allows to connect to the latest version of iTunes to activate it. The iPhone activation sim will also allow you to use menu systems without problems. Ideal if you need to access wi-fi to jailbreak or unlock.
Note: Our card can be reprogrammed to given IMSI so it will still work as activation card !! No need to buy new card - just use Pkey programmer to program card to correct IMSI
