Isopropanol with sprayer 99.9% capacity of 150ml

Product ID: 21800

Price: **1.10 EUR**

Product weight: **0.20 kg**

Description:

Isopropanol with sprayer 99.9% capacity of 150ml for high purity alcohol. It has ubiquitous degreasing and cleaning ideas for optics, magnetic heads, rubber rollers, drives, audio-visual equipment and precision mechanics. The agent removes dirt, greases and oils that are neutrally chemically resistant to materials commonly used in electromechanics, optics and electronics.
