## Label Killer 300ml

---

Product ID: 13854

Price: **4.46 EUR**

---

Product weight: **0.30 kg**

### Description:

Label Killer 300ml removes labels from all kinds of packaging. Caution: the preparation may imperceptibly dissolve a colorful print under the removed label as well as dissolve some plastics - caution recommended! Directions for use: The preparation has to be spread directly over a label for some 3 minutes. Use cloth or tissue to wipe remaining glue.
