

## MaxiTPMS TS101

---

Product ID: 14230

Price: **119.00 EUR**

---

Product weight: **1.00 kg**

### Description:

MaxiTPMS TS101 from Autel is a universal TPMS sensor activation tool. Simply press the activation button to activate tire pressure monitoring system (TPMS) sensors to reset or relearn the sensor ID to the vehicle. The TS101 can handle all kinds of TPMS sensors much faster and more accurately than previous devices.
