Read PIN code from device with OTG - based on Android 6.x.x

Product ID: 21174

Price: **129.00 EUR**

Product weight: **0.10 kg**

Description:

Read PIN code from device with OTG - based on Android 6.x.x is a service based on a reading of the PIN Lock code from delivered device. The service is non-invasive, it means that the phone does not need to have enabled USB debugging or programmer mode - does not make any changes to the phone, ie. We do not disassemble device, we do not interfere in the data and not upload anything to phone (Recovery etc.).
