Reballing stencil for MSM 8953 1AB - QianLi 3D iBlack

Product ID: 22454

Price: **9.00 EUR**

Product weight: **0.20 kg**

Description:

Reballing stencil for MSM 8953 1AB - QianLi 3D iBlack is the fast and precise system reballing. The 3D function makes the mounting of the system 100% accurate. Laser cut thanks to this precision is maintained. Black makes it easy to distinguish the template from the layout.
