## SD Monolithic MR SP10 NAND adapter

Product ID: 22681

Price: **399.00 EUR**

Product weight: **1.00 kg**

### Description:

SD Monolithic MR SP10 NAND adapter is high quality special adapter for SD cards with 36 pins using NAND protocol without soldering. The MR SP10 adapter is compatible with devices such as Visual NAND Reconstructor VNR (Rusolut), Flash Extractor (Soft Center) and PC3000 Flash (Ace Laboratory). The adapter replaces the need for any soldering to the card for reading and, thanks to unique solutions, it also enables quick XOR extraction or analysis and configuration of other pinouts than originally provided with the adapter using a logic analyzer. Use of the adapter minimizes the risk of card damage by soldering (ie pad breaking) and faster readings in microSD card technology mode using various NAND programmers.

#### Contact details:

Telefon: +48 17 227 00 25

Infolinia: 0 801 671 717
