

Support service TeamViewer

Product ID: 5628

Price: **59.00 EUR**

Product weight: **0.00 kg**

Description:

Support service TeamViewer it's service including Skype/e-mail but also TeamViewer remote support, that comes FREE OF CHARGE for all devices sold by our company. Service dedicated for customers who purchase goods at other reseller and cannot get help from him. Nowadays there are multiple sellers that shows on market, sell something fast and then disappear - end user then are left at their own. We bring help in such issues for him. Service based on e-mail/Skype/TeamViewer support where customer describes problems with his unit and wait for solution with instruction from us within 24 hours (available in working days from Monday to Friday)
