## Tip cleaner (Best) with metal base

---

Product ID: 21719

Price: **4.20 EUR**

---

Product weight: **0.15 kg**

### Description:

Tip cleaner (Best) with metal base is a lot more durable than the popular foam and does not require wetting. Additionally, it is more effective in cleaning the soldering tip from the remnants of tin, rosin, and other substances. The whole contained in a metal housing resistant to high temperatures.
