xFrame LCD mount bracket for Sony Xperia Z3 Compact (D5803, D5833)

Product ID: 16068

Price: **15.00 EUR**

Product weight: **0.08 kg**

Description:

xFrame LCD mount bracket for Sony Xperia Z3 Compact (D5803, D5833) made of brushed aluminum is used to deattach broken glss from the body of Xperia Z3 Compact without need to remove LCD. By using this bracket you simply remove glass in few simple steps and attach new one. LCD are preheated from bootom and bracket allows to seamlessly enter the molybdenum wire between the glass and the display and separate the glass without removing it from the frame.
